**Taking a GCSE in a home language:** If you can speak and write in another language, perhaps one you use at home or within a community, then you could take an extra GCSE in that language! In the past we have had pupils sit Italian, Portuguese, Turkish, Polish, Greek, Russian, Urdu, and Mandarin. It's a wonderful opportunity to gain a qualification and celebrate multilingualism. We cannot offer teaching at school, but we can point you in the direction of useful self-study materials and the exam specifications.
